Slow Motion Royalty Free Stock Footage, Full HD

Shot with a Panasonic Gh4 at 96 frames per second with a slider, Metabones speed
booster and 1.8 Art Sigma lens 18-35

All footage was shot by me so feel free to use as you wish in any project, just
download using 3rd party file ripper. Any Irish requests let me know as I travel
a lot.

Subscribe share and like for more free footage as well as Osmo & Drone footage
uploading soon
